*Great dancers are not great
because of their technique,
they are great because
of their passion.*

MARTHA GRAHAM

ABOUT ALMA MATER EUROPAEA - DANCE ACADEMY

Alma Mater Europaea - Dance Academy is Slovenia's only higher education institution with an accredited study program in Dance and Choreography. It is also Europe's only accredited Social Dance program, therefore it fundamentally contributes to the development of creativity and education in the Slovenian legacy of dance.

The vision of AMEU - Dance Academy is to become and remain the most notable and highest quality institution in all dance fields. We aim to follow the latest creative and competitive trends simultaneously transferring to our students the most beneficial experiences of domestic and foreign artists alike.

AMEU - Academy of Dance is strengthening its position in the field of contemporary dance, social dance, competitive dance, jazz dance and classical ballet in domestic and international artistic, pedagogical, competitive and research space. With active involvement in the environment, it is significantly enriching and co-shaping Slovenian, European and worldwide cultural and artistic space.

DANCE IS THE EXPRESSION OF MANKIND'S FREE THOUGHT.

At our Dance Academy we created a practical study program which supports artistic and research-based activity, as well as builds on international cooperation to exchange knowledge and experiences.

With the Dance Academy's dedication to dance, we develop creative, emotional and intellectual potential of students.

DANCE, CHOREOGRAPHY (I. Bologna Cycle)

LENGTH

3 years

CREDITS

180 ETCS

TITLE

Bachelor of Arts in Dance and Choreography
Graduated dancer / Choreographer

LOCATION

Ljubljana, Slovenia

BEGINNING OF LECTURES

October

ACADEMIC FEES

6.000€/year

MODERNITY IS THE EXPRESSION OF THE TEMPORAL DIMENSION OF DANCE.

The study program of the Dance Academy covers the entire artistic and practical knowledge in the field of dance - from classical to modern disciplines.

It encourages the achievement of personal goals, development of character and recognition of artistic responsibility.

The modern nature of the program becomes pronounced in its practical orientation, which offers the artistic form of dance, through various social and educational experiences. It develops communication skills and critical thinking, capacities for research and analysis, as well as the creative productivity in any field of dance.

At the AMEU - Dance Academy, we ensure top-quality knowledge in the area of dance, pedagogy and the creative-choreographic process. With a wide range of diverse pedagogues and their rich artistic and creative experiences and leadership, we offer our students the highest possible interaction and participation with the best experts in their areas of expertise.

ENROLMENT CRITERIA

Enrolment to the Dance Academy is available to all who have:

- obtained a matura, vocational matura, or an equivalent high school diploma.
- high school of ballet or another adequate ballet education (for the ballet department)
- medical certificate issued by an expert medical practitioner
- pass the dance audition in Contemporary dance, Jazz, Competitive Ballroom and Latin dance, Social dance and Urban / Hip Hop

EMPLOYMENT OPPORTUNITIES

Professional dancer, choreographer is highly self-employed. Professional and practical knowledge, acquired during the course of study, social networking with dance and educational institutions, as well as individuals can provide a place locally and abroad.

Dancers and choreographers create in:

- theaters,
- dance groups,
- studios, institutions,
- schools,
- societies and clubs.

The profession is characterised by dynamics and cooperation with a large number of co-creators or pupils.

The obtained diploma enables students to continue their studies by enrolling in master`s studies at our Dance Academy or in other programs in Slovenia or abroad.
